POSTAGE, &c. OF LETTERS TO AND FROM INDIA:

Regulation by the General Post Office, 14th July 1819.

The statute of 55 Geo. III, Cap. 158, so far as relates to the postage and conveyance of letters, newspapers, printed prices current, and printed papers, to and from the Cape of Good Hope, Ceylon, the Mauritius, and the East-Indies, is repealed; in consequence of which, no more packet mails will be forwarded between Great-Britain and those parts.

By an Act of this session, all letters brought into Great-Britain by ships and vessels from the above parts, are liable to a sea postage of fourpence each, if not exceeding three ounces, and one shilling per ounce above that weight, in addition to the inland rates.

And all letters to the above places, which may be sent through the post office, are liable to a sea postage of two-pence each, under the weight of three ounces, and one shilling per ounce if above that weight, in addition to the inland rates.

Newspapers, printed prices current, and printed papers, duly stamped, may be conveyed to the above places for one penny each packet, not exceeding one ounce, and one penny per ounce above that weight.

The postage of all such letters, packets, and printed papers must be paid at the time they are put in the post office.

The Act allows letters and newspapers to be sent to the East Indies "otherwise than through the post-office."

By Command of the Postmaster General,
 FRANCIS FREELING, Secretary.

Further Regulations respecting the Postage of Letters to and from India and St. Helena.

In consequence of the act of 4 Geo. IV, cap. 81, sec. 73, the following information and directions respecting postage of letters, were transmitted to India by the Court of Directors in October 1823.

By the act of the 4th Geo. IV, cap. 81, sec. 73, seamen and soldiers in his Majesty's service, whilst actually employed in his Majesty's service, in the East-Indies and at St. Helena, and soldiers in the Company's service, may send, under certain regulations and restrictions, single letters, provided that the party in Great Britain or Ireland, receiving the same, shall pay one penny for the inland postage; and may receive single letters free of postage, except one penny to be paid for each single letter upon its being put into any post-office, in Great Britain or Ireland.

The regulations and restrictions referred to, in the beforementioned act, are contained in the act 46th Geo. III, chap. 92, and prescribe, that upon all single letters, sent from soldiers the name of the soldiers, his rank (whether serjeant, corporal, trumpeter, drummer, fifer, or private), and the regiment corps, or detachment, to which he belongs shall be superscribed.

That, upon all such single letters, shall be written, in the hand-writing of, and signed by the officer in the actual command of the regiment, corps, or detachment, his name, rank, and the regiment, corps, or detachment commanded by him.

From A. B.
.....of the..... Regiment.
To.....
.....
(Signed)—C. D.
.....Commanding.....
.....Regiment or Detachment.

It is to be clearly understood, that this indulgence is limited to single letters.

The act (of 46 Geo. III, cap. 160, before-mentioned), also directs, that if any officer, having the command of a regiment, corps, or detachment, shall wilfully and knowingly write his name upon any letter, that is not from such soldiers, and upon his private concerns only, such commanding officers shall forfeit and pay the sum of five pounds.

That a similar penalty shall attach to any person, who shall (with an intent to evade the full rate of postage) obtain the signature of the officer commanding to letters not on the private concerns of soldiers.

Further—That if any officer not having at the time the command of the regiment, corps, or detachment, shall write his name upon a soldier's letter, he shall forfeit and pay the sum of five pounds.

As the indulgence in the present act (of 4th Geo IV, cap. 81, sec 73), extend to seamen in his Majesty's navy, whilst actually employed in his Majesty's service, subject to the same regulations and restrictions as before-mentioned, it is requisite that upon every letter to be sent, the name of the writer, and his class or description in the ship or vessel to which he shall belong, shall be superadded, and that upon every such letter there shall be written in the hand-writing of, and signed by the officer, having at the time the command of the ship or vessel, his name and the name of the ship or vessel, commanded by him.

The act does not extend to seamen in the Company's service.

That all letters from seamen and soldiers in his Majesty's service, and soldiers in the Company's service, in India, and at S. Helena, be sent to England in the Company's regular or extra freighted ships, or in such other ships only, in which Company's dispatches are forwarded, and not in any ships without Company's dispatches.

GENERAL DEPARTMENT, THE 19TH OF JANUARY 1827.

The Right Honourable the Vice-President in Council has been pleased to authorize the following revised Scale of Fees to be received henceforward by the Presidency Chaplains on account of Marriages and Baptisms, and by the Cathedral Clerk, on the former.

CHAPLAINS. A Fee of Fifty Rupees for a Marriage by Licence, and of Sixteen Rupees for a Marriage by Banns.

A Fee of Thirty-two Rupees for every Baptism which the Chaplains shall be called upon to administer out of the hours of Divine Service on Sundays, except in cases of dangerous illness.

CLERK.—A Fee of Five Rupees on a Marriage by Licence, and of Two Rupees on presenting the Banns for Publication.

By Command of the Right Honourable the Vice-President in Council.

C. LUSHINGTON, *Chief Sec. to the Govt.*

General Orders by the Right Honble the Governor General in Council, Fort William, Nov. 2, 1827.

No. 231 of 1827. — The Governor General in Council is pleased to direct that the following Extract (Paragraphs 2 to 5) from a Military General Letter from the Honourable the Court of Directors, under date the 23d May 1827, be published for general information.

Para 22, of Ecclesiastical Letter from Bengal, of 31st December 1824.

In reference to a question submitted by the Government of Bombay relative to the extent to which Military Chaplains are to be held responsible to the Military Authorities and correspondence with the Lord Bishop as to the liability of the Company's Chaplains to Martial Law, Court's orders on the subject are requested.

2. From the best consideration we have been able to apply to the relevant documents to which we have been referred in this Paragraph, we are induced to think that considerable misapprehension has existed on the subject to which they relate.

3. When our Ecclesiastical Establishment was placed on the footing on which it now stands, it became a necessary part of the arrangement, that the Indian Clergy should be submitted to the General Superintendence of the Bishop, and rendered subject to the Ecclesiastical jurisdiction for all Offences of Ecclesiastical Cognizance; but it was never intended to except this portion of our Servants from the jurisdiction of the temporal Courts in the event of their being charged with any Offences of a civil nature, or any crimes against the peace and well being of Society.

4. We wish it therefore to be distinctly understood, that the Chaplains on our Establishment are amenable to the Ecclesiastical Tribunals for such Offences only as would render the Clergy of the Established Church amenable to the Ecclesiastical Tribunals in England; and that for all other Offences they are liable to be tried, as all other Europeans in India are, by the ordinary Tribunals of the Country.

5. It however, the Offence should be committed out of the jurisdiction of the ordinary Court, and in places where the rest of the community are subject to Military Law; in such a case, and such a case alone, we deem it right that our Chaplains should be subject also to Military Law for all Offences of temporal Cognizance.

NOMINATION OF STUDENTS.

REGULATIONS AND PREPARATORY INSTRUCTIONS.

No Candidate for the College can be nominated thereto, until he has completed the sixteenth year of his age. And no person who has been dismissed from the Army or Navy, or expelled from any place of education, will be nominated to the College.

The parents or guardian of every candidate for the college will be required to address the following letter to the nominating Director;—

"SIR.—I beg to assure you, on my honour, that my ————, to whom you have been so good as to give a nomination to the college, has not been dismissed from the Army or Navy, and that he never has been expelled from any place of education. "I have the honour, to be, &c."

By the Act of the 53d of Geo. III, no person can be appointed a writer in the company's service whose age exceeds twenty-two years; and by the Act of the 53d of Geo. III, all students for the college must remain there four terms—consequently, no person whose age exceeds twenty, can be nominated as a student. All these terms are probationary, but the first is to be considered as such in a particular sense; and if any student shall not, in the judgment of the college council, give satisfaction, in that term, he will not be permitted to return to the college.

Candidates for the college must produce the undermentioned documents, previously to their being nominated as students.

An extract from the parish register of their birth or baptism, properly signed by the minister, churchwarden, or elders; and, in addition thereto.

A certificate agreeably, to the following form, signed by the parent, guardian, or near relation.

" I do hereby certify, that the foregoing extract from the register of baptisms of the parish of _____, in the county of _____, contains the date of the birth, of my son _____, who is the bearer of this, and presented for a nomination as a student at the East-India College, by _____, Esq; and I do further declare, that I received the said presentation for my son _____ gratuitously, and that no money or other valuable consideration has been or is to be paid, either directly, or indirectly, for the same; and that I will not pay or cause to be paid, either by myself, by my son, or by the hands of any other person, any pecuniary or valuable consideration whatsoever, to any person or persons who have interested themselves in procuring the said presentation for my son from the Director above-mentioned."

" Witness my hand, this _____ day of _____, in the year of our Lord, _____."

In the event of no parish register existing or to be found, an affidavit of such circumstances is to be made before a magistrate, to the following effect, viz.

" I, _____, presented as a student for the East India College by _____, do make oath and swear, that I have caused search to be made for a parish register whereby to ascertain my age, but am unable to produce the same, there being none to be found; and, further, I make oath and swear, that from the information of my parents (and other relations), which information I verily believe to be true, that I was born in the parish of _____, in the county of _____, on _____, in the year _____, and that I am not at this time under the age of sixteen, or above twenty years."

" Sworn before me
" this _____
" day of _____

}

" Witness my hand, this _____ day
" of _____, in the year of our
" Lord _____

The parent, guardian, or near relation, must then add his certificate as to the truth of the affidavit, which must be similar to that ordered to be annexed to the extract from the parish register.

The above mentioned certificate (and affidavits in cases where an affidavit shall be required) are to be annexed to the petition to be written by the candidate, and they to sign a declaration thereon, that they have read these printed instructions. The same declaration is to be signed by the parent, guardian, or near relation of the candidates respectively.

Candidates are to produce certificates from the person under whom they have received their education, stating the nature of that education, and the proficiency they have made therein; and certifying as to their mental ability, disposition, and character.

Candidates will be interrogated in an open Committee of College as to their character, connexions, and qualifications, conformably to the General Court's resolution of the 6th July 1809.

On a student's appointment to be a Writer, a legal instrument is to be entered into by some one person (to be approved by the Court of Directors) binding himself to pay the sum of £500, as liquidated damages to the Company, for breach of a covenant to be entered into that the student, nomination hath not been in any way bought, or sold, or exchanged for any thing convertible into a pecuniary benefit.

Misconduct of students at college will be attended with expulsion therefrom and those who do not pass with credit the final examination, will not be admitted into the civil service of the Company. A Student expelled the college will not be admitted into any of the Company's Civil Establishments, or into the Company's Military Seminary.

TERMS OF ADMISSION FOR STUDENTS.

One hundred guineas per annum, for each student, a majority whereof to be paid at the commencement of each term, there being two in the year, besides the expense of books and stationery.

Students to provide themselves with a table spoon, tea spoon, knife and fork, half a dozen towels, tea equipage, and a looking glass also with not less than two pair of sheets, two pillow cases, and two breakfast cloths.

The Candidate will be examined in the Classics and Arithmetic, and if they be not found to possess a competent knowledge of at least two of the Latin classics, the Greek Testament and the principles of Grammar, as well as the common rules of

COLLEGE TIME ALLOWED TO RECKON.

The East India Company having established a College in England for the appropriate Education of young men designed for their Civil Service in India the time spent by such young men in the said College, after they shall have attained the age of 17 years entitle them to the same privilege as they would have been entitled to, if they had been resident such time in India; and it has been enacted that all time not exceeding two years as shall be bonafide spent in the College, in the regular course of such education by any persons after they shall respectively have attained the age of 17 years, provided they shall bonafide spend, either before or after 17 years of age, two years at least in the said College, in the regular course of such education and shall afterwards go to India in the Civil Service of the said Company shall be accounted, as to the offices, places and appointments, which such persons are entitled to be appointed to, and to hold, as so much time actually spent in India.

VACANCIES HOW TO BE FILLED UP.

A strict adherence to the prohibitions contained in an act made in the Thirty third Year of the late Reign, in respect to the filling up and supplying vacancies in the Civil Service of the E. I. Company has been found impracticable, without detriment to the Public Service, or injury to the just claims and meritorious exertions of individuals, and a Modification of the said Act having been in part adopted in the Act of the Forty-seventh of the same reign relative to the Scholars educated at *Hertford College*; it has been enacted that any Office, Place, or Employment, the Salary and Perquisites whereof shall exceed the Sum of Fifteen Hundred Pounds, may be granted to and conferred upon any Civil Servant who shall have been actually resident in India in the Company's Service for the space of Four Years antecedent to such Vacancy; and if the Salary, Perquisites, and Emoluments, shall exceed the Sum of Three Thousand Pounds per Annum such Office may be conferred upon any of the said Servants who have been actually resident in India Seven Years at least in the whole; and if the Salary, Perquisites, and Emoluments of any Office, Place or Employment, shall exceed Four Thousand Pounds per annum, such Office, including that of the Council, may be granted to or conferred upon any of the said Servants who shall have been actually resident in India in the Company's Service for the space of Ten Years at least in the whole.

DEDUCTION FROM SALARIES.

Government has established the following Rules, in respect to the deductions to be made from the Salaries of persons absent from their stations, whether on account of bad health, or on account of their private affairs, likewise on other points connected with such absence.

A deduction of one-sixth except in the cases below stated to be made from Salaries or authorized Emoluments of all Civil Servants compelled to leave their stations on account of sickness, during the whole period of their absence.

This Rule however is not to apply to Zillah or City Registers or to other Individuals whose Allowances may not exceed 500 Rupees per mensem. It is not intended to make any deduction from the Salaries of Civil Servants holding such appointments, when absent from their stations on account of bad health.

In cases in which the Salaries or authorized Emoluments, of Civil Servants exceed the sum stated under the foregoing Head only in such a small degree, that a deduction at the rate of one-sixth would reduce the remaining proportion below 500 Rupees per mensem, it is the intention of Government, that the deduction should not be carried to the full extent of one-sixth, but merely so far as will leave to the Individual the monthly sum, above mentioned, of Six hundred Rupees.

A deduction at the rate of one-sixth to be made from the Salaries or authorized emoluments of all Civil Servants, stationed within the divisions of Bareilly and Benares, or as they are ordinarily denominated the Western Provinces, who may with the sanction of Government, be absent from their stations on account of their private affairs, during any period not exceeding eight weeks in the year.

A deduction of one-sixth to be made from the Salaries or authorized Emoluments of all Civil Servants stationed in the Lower Provinces, who may with the sanction of Government, be absent from their stations, on account of their private affairs, during any period not exceeding six weeks in the year.

A deduction of one third to be made from the Salaries or authorized Emoluments of Civil Servants who may be absent from their stations, on account of their private affairs (and not on account of sickness,) for periods of time respectively, exceeding those specified under the two foregoing Heads, numbered according as the Rules contained under these Heads may apply to the cases.

DEPUTATION ALLOWANCE TO CIVIL SERVANTS.

Deputation allowance is granted to Civil Servants in conformity with the orders of the Right Honorable the Governor General in Council dated 1st March 1817, when deputed to act at a distance from their own stations, in any capacity. A certificate must be furnished of the date on which they receive charge, as the allowance is not to commence till that period; and also a certificate on his delivering over charge, (the allowance ceasing on that day,) which must be furnished to the Civil Auditor, accompanied by the first and last bills when sent for audit.

The Extra Allowances specified in the foregoing Statements are intended to preclude all claims on the part of the individual officiating to commission, which is considered to belong to the fixed incumbent, even during absence subject of course to the prescribed deduction.

The extra and Deputation Allowances above specified are to be considered applicable to Civil Servants in every branch to the Service, with the exception especially provided for below.

The GOVERNOR GENERAL IN COUNCIL will determine the amount of the Extra or Deputation Allowances to be granted to persons officiating as Secretaries to Government or as Residents at Foreign Courts, as circumstances may in each instance render advisable. The same course will likewise be pursued, when Offices may be constitute for the attainment of local or temporary object, similar to those at present held by the Commissioners in Behar.

When the Register of a Provincial Court, or the Assistant to a Magistrate, shall be nominated to the charge of the Office of Register of a Zillah or City Court, at the same station as that to which he is permanently attached he is entitled to receive the Fees authorized by the Regulation on all Suits actually decided by himself, as well as the Fees for registering Deeds, an arrangement which renders any further Extra Allowance unnecessary.

In those cases in which the Gentleman appointed to officiate in the situation mentioned under the preceding head, may belong to a different station an Extra Allowance is to be granted at the rate of 5 Rupees per diem.

PART III.] DEPUTATION AND OTHER ALLOWANCES. 59

Judge or Magistrate of a Zillah or City Court; Collector of Land Revenue or of Customs Commercial Resident; Salt Agent or His Assistant and Opium Agent or His Deputy.

Whenever the services of any of the Officers enumerated above may be required in the interior of their Districts or at any place within the limits of their respective local duties, no extra Allowance for travelling, or on any other account, is to be granted.

The foregoing Rule is not however to be considered applicable to the superintendants of Salt Chokies, who on the ground of established usage will be authorized to charge in a contingent Bill the bona fide expenses incurred by them in travelling through the extensive tracts of country respectively committed to their superintendence.

Magistrate, Collector of Land Revenue, Dito of Customs, Opium Agent and Commercial Resident,

When a Register to Provincial Courts, or Assistant to any of the Officers enumerated above shall be deputed into the interior of the Districts to which they are attached or employed at any place within the limits of their respective local duties, they are to receive an Extra Allowance at the rate of Sa Rs. 5 per diem.

When Register or Acting Register of a Zillah or City Court, shall be deputed or employed in the manner stated under the foregoing head, he is to receive an Extra Allowance at the rate of Sixteen Rupees 10 per diem.

The additional Extra Allowance stated in the preceding head is intended to compensate for the loss of Fees, to which the Officer so deputed or employed will be subjected during his absence from his head station.

The Orders of Government in the Judicial Department, of the 19th October 1809, in regard to Absentees, are to continue in full effect.

These Orders direct, that any Civil Officer, who may obtain leave of absence shall forward a Certificate to the Auditor's Office, signed by the person to whom he may deliver over charge and from whom he may again receive charge of his Office, specifying the date on which he may have relinquished, and on which he may have resumed charge respectively.

In cases in which it is not necessary, from the nature of the appointment, to depute a Civil Servant to relieve an Officer who has obtained leave of absence, the individual leaving his station is to forward to the Auditor a certificate from his immediate superior in Office or if he should have no immediate superior in Office, or if circumstances should render it impracticable to obtain such certificate, a notification attested by himself, stating the date of his return to it.

The Civil and Commercial Auditors will be instructed to pass all Bills for Extra Deputation Allowances, provided for by the foregoing Rules, without the delay of a reference to Government, and the certificate stated in the preceding paragraphs are to guide them in regard to the periods during which deduction, are to be made from the Salaries of Absentees, and in respect to the date; from which the Extra and Deputation Allowances are to commence, and the periods when they are to cease. G. G. in C. 1st March 1817.

APPENDIX TO THE RULES, PASSED ON THE 1st MARCH, 1817.

Sections 26, 27, 31, AND 32, ARE ABROGATED.

In Section 31, first line the words "Registers or Acting Registers of Zillah or City Courts," are to be substituted for the words, "Registers to Provincial Courts," which Appointments have been abolished.

The words "Joint Magistrates," are to be added in the Margin of Section 29.

Under the foregoing modifications, the case of an Assistant Officiating as Register as Joint Magistrate, or as Magistrate, or as Judge and Magistrate, and of a Register Officiating as Joint Magistrate, or as Judge and Magistrate, will come within the Provisions of Section 22.

The following addition is to be made to the 7th Article, of the Printed Rules: "Individuals who may from ill health, be unable to perform their duties, and who may in consequence be compelled to deliver over charge of their Offices to another person, shall be subject to the specified deductions, although they may not actually leave their Stations."

58 DEPUTATION AND OTHER ALLOWANCES. [DIRECTORY

The following revised scale of deductions to be made from the Allowances of Civil Servants proceeding to Sea, or beyond the limits of the Presidency to which they belong, for the benefit of their health, under the prescribed Certificates, is authorized by Government, and is to take effect from the 1st of May, 1822.

Civil Servants proceeding to Sea, or beyond the limits of the Presidency to which they belong, on certificate of ill health, if absent for a period not exceeding Two years, to be subjected to a deduction of 1-10th from their Allowances. If necessarily absent for an longer period beyond Two years and not exceeding two and a half years, to be subjected to a deduction of 1-5th for each additional period, and if the term of absence shall exceed two and half years, the whole of the Allowances of the Absentee to cease from the expiration of that period.

FORT WILLIAM,
Gen. Dept. March 29, 1822. }

In reference to the Resolutions passed by Government on the 1st March 1817 and 20th March 1822, relative to reductions to be made from the Salaries of Civil Servants when absent from their Stations, whether on account of bad health or on account of their private affairs; the Right Honorable the Governor General in Council is pleased to direct that the following Extract from a Public General Letter from the Honorable the Court of Directors dated the 21st May 1823, be published for general information, and that the Rules prescribed by the Honorable Court applicable to Cases of Civil Servants absent from their Stations on account of ill health, do take effect from the 1st Proximo.

Extract from a Public General Letter from the Honorable the Court of Directors, dated the 21st May. 1823.

With the Exceptions hereafter stated a deduction of 1-8th be made from Salaries and Allowances not exceeding 2,000 Rupees per Mensem, for one year, and of 1-6th for the next six Months, after the expiration of which period the Allowance only of a Servant out of employ is to be granted.

On Salaries and Allowances exceeding 2,000 Rs. per Mensem 1-6th for one year and 1-4th for the next six Months. Thereafter the Allowance of a Servant out of employ is to be granted.

The exceptions above alluded to are those contained in the 8th and 9th Clauses of the Regulations established in March 1817, with such modifications as may be required by the foregoing rules.

In the first of those Clauses it is stated that no deduction is to be made from Allowances which do not exceed 500 Rupees per Mensem, and by the second it is provided that in cases in which the Salaries or authorized Emoluments of Civil Servants exceed 500 Rupees per Mensem, only in such a small degree that a deduction at the prescribed rate would reduce the remaining proportion below 500 Rupees per Mensem, the deduction shall be carried only so far as will leave to the Individual the Monthly sum of 500 Rupees.

We direct that these Rules of exception have effect during one year only: that for the next six Months, a deduction be made at the rate of 1-8th, and that thereafter the Individual, if a Factor or Writer, receive not as in other cases merely the Allowance of a Servant out of employ, which in that case would amount only to 52 Rupees per Mensem, but the Allowance of a Junior Merchant out of employ, viz. 244 Rupees per Mensem.

FORT WILLIAM;
Gen. Dept. September 25, 1823. }

The Right Honorable the Governor General in Council having taken into consideration the severity with which the operation of the Rules relative to deductions from the Allowances of Absentees on account of ill health, passed, on the 25th September last, will as they now stand, affect the interests of many of the Civil Servants at present absent beyond Sea, for the benefit of their health, has been pleased to determine, that the former Rules of the 29th March, 1822, shall remain in force as applicable to such Individuals actually absent at the Cape of Good Hope, or other places, within the limits of the Honorable Company's Trade, for such a period as may afford them the opportunity of returning within a term not exceeding in any case six Months from the time, when the intimation may reach the place of residence of the persons in question, or be otherwise communicated to them.

KING'S MILITARY FUND.

REGULATIONS of a General Military Fund, for the benefit of Widows and Children of Deceased Officers in His Majesty's Service in India, established in 1820, and revised in 1827.

Under the protection and countenance of the Most Noble the Marquis of Hastings Commander in Chief in India, the above named Fund was established in the year 1820, for the purpose of sending home, in comfort and respectability, the Families of deceased Officers in His Majesty's Regiments, serving in India, who may have been left destitute; and of preventing the painful and degrading practice of appealing to the Public for Subscriptions on such occasions; and also of providing relief in such cases as may require it, until they can be conveniently sent home. It having since been found advisable to make some alterations in the Rules and Regulations then established, the following revised Regulations, passed with the general consent of the Officers of the Army, have been approved of by His Excellency the Right Honorable Viscount Combermere, Commander in Chief in India, who has been pleased to become Patron to the Institution.

1st. That the Committee of General Management formed at Calcutta shall consist of the following persons for the time being, being Subscribers; viz.

- The Major General Commanding the Presidency Division.
- The Adjutant General of His Majesty's Forces in India.
- The Quarter Master General of His Majesty's Forces in India.
- The Inspector of Hospitals.
- The Commandant of Fort William.
- The Assistant Adjutant General of His Majesty's Forces in India.
- The two Senior Officers of His Majesty's Regt. quartered in Fort Wm.
- Two Senior Subalterns of ditto.
- Commandant of the Depot at Chinsurah.
- The Military Secretary to the Commander in Chief.
- The Major of Brigade of His Majesty's Forces.
- The Paymaster of His Majesty's Troops; and
- The Paymaster of His Majesty's Regiment quartered in Fort William.

2d. That a Sub-Committee for enquiring into all circumstances connected with this Fund, and acting under the General Committee, shall be formed at Madras and Bombay, composed as follows--such Officers being Subscribers:

- The Commander in Chief, the Patron.
- The Senior Officer of His Majesty's Army at the Presidency.
- All Officers of the General Staff.
- The two Senior Officers of His Majesty's Regiments stationed at the Presidency.

The two Senior Subalterns of ditto.
And that the Major of Brigade of King's Troops may be good enough to act as Honorary Secretary.

3d. That every Officer shall pay monthly according to his rank, as specified in the margin.*

4th. That the Paymasters of Corps shall be authorised and required to make those deductions monthly, and shall regularly remit the same to the Agents of the King's Military Fund, Messrs. Fergusson and Co. Calcutta.

5th. All married Officers shall subscribe to the Fund within three months after joining their Regiments or stations, and Bachelors within three months after their marriage; any Officer neglecting so to do, shall at no future time be admitted as a Subscriber, unless by the sanction of the General Committee, always paying up arrears from the date of his joining or marriage, as the case may be; or if in India at the time, from the date of the revision of these Regulations, 1st August, 1827.

6th. That in order to obviate the difficulties which would arise from the occasional remote situations of His Majesty's Corps serving under the several Presidencies, the Most Noble the Governor General in Council was pleased to order and direct when the Fund was established, that Binnam be granted to the Pay-Master of His Majesty's Regiments by the Governments of Madras and Bombay, on the Government of Bengal, at the Exchange of 108 Calcutta Sicca Rupees for every 116 Madras Rupees, and 325 Calcutta Sicca Rupees for every 350 Bombay Rupees, payable at sight to the General Agents in Calcutta, thereby avoiding Commission, double Agency, and risks of Exchange.

7th. That all grants of assistance from this Fund shall be regulated and assigned by Committees of Subscribers, as herein declared.

8th. That in order to ascertain the circumstances of any Widow or Family who may have become destitute by the death of any Regimental Officer, such Widow shall Memorial or represent the case of herself and family, through the Commanding Officer of the Corps the casualty occurred in, in order to its being brought to the consideration of a Committee, and the Commanding Officer shall, as far as his knowledge will enable him, state his opinion of any case so received.

GENERAL COMMITTEE.

PRESIDENT.

- A Field Officer, (if practicable.)
1 Captain, Surgeon, or Pay Master
2 Lieutenants, or 1 Lieutenant and
1 Quarter Master or Asst. Surgeon
possible, Officers from such Corps present, being Subscribers to the Fund.

9th. That whenever there may be mixed Corps of His Majesty's service, or more than one stationed together at the same time, every application for relief from this Fund shall be heard and decided on by a General Committee, composed, as equally as

10th. As it may often happen that Officers die while the Corps they belong to is stationed by itself or remotely detached, it shall be in the power of every Commanding Officer of a Regiment so situated, to assemble a Committee of any five Officers (being Subscribers) to hear and decide upon the case of any Widows and Children so become destitute, and seeking relief from this Fund. It shall also be competent for the Commander-in-Chief at either Presidency to assemble a special Committee to report on the case of any Lady who may become a Widow, whilst the Regiment to which her husband belonged, shall be at another distant station, or on service beyond Sea.

11th. That such General, Special, or Regimental Committees as the case shall be, having duly examined into the circumstances of the party seeking relief, shall report their opinion on, and recommend the amount to be granted whether for passage money or maintenance, strictly in conformity with the Regulations annexed. The opinion and recommendation of such Committees shall be forwarded to the Agents of the General Committee if in Bengal, or to the Honorary Secretary of the Sub-Committee, or such person as may be appointed by the Commander in Chief; if at the Presidency of Madras or Bombay by the Officer Commanding the Corps in which the casualty may have occurred.

12th. The Sub-Committee at Madras and Bombay will, on satisfying themselves with the accuracy of the statements laid before them, draw upon the Agents at Calcutta for the amount of the sum which may be awarded; but in the final adjustment of the accounts of such Sub-Committee, the General Committee will consider themselves bound to object to any sum, however trifling which may be granted in excess of the Rules laid down.

13th. The Sub-Committee will on drawing for any sum on the General Agents, transmit the Report of the Station Committee as well as their own opinion and explanations of the award as a voucher, and they will afterwards, as soon as possible, transmit the proper receipts and certificates, shewing that the money has been appropriated in the manner and for the purposes for which it was awarded.

14th. The object of this Fund being clearly confined to sending Home distressed Families of deceased Officers, with a view of preventing those painful appeals for assistance to the Public, at once so numbing to respectable individuals and the King's Service in India, it is earnestly hoped that all ranks of Staff and Regimental Officers will support it.

15th. But to prevent doubts and misconceptions which might possibly arise hereafter, it is distinctly declared, that no Widow who is not in distressed circumstances, or no Lady continuing to reside in this country after the death of her husband, can expect any provision or pension for herself or children from the Fund further than is stated in the 8th clause of the Schedule of Awards. It is also declared that no Widow is entitled to passage money or allowance for traveling, unless she shall actually proceed to sea or on her journey in the manner for which any allowance may have been drawn, and should she have received such allowance, she will be required to refund; and further, that no Widow, under any circumstances, shall be entitled to any assistance from this Fund unless the application shall be made in the usual form within six months after the demise of her husband.

16th. Orphan Children are eligible for the benefits of this Fund, but awards for them must be specially made by a General or Sub-Committee and sanctioned by the Commander-in-Chief of the Presidency, who is requested to appoint some eligible person to take care of them, and provide a passage, &c. &c.

17th. That the General Agents in Calcutta shall furnish an annual account of the receipts and disbursements of this Fund, agreeably to forms annexed, to the Adjutant General of His Majesty's Forces, and that, that Officer be applied to, to circulate the same amongst the Subscribers, and the several Officers of Government at the three Presidencies.

18th. That Commanding Officers of His Majesty's Regiments be requested to pay particular attention in causing the regular quarterly remittances to be made to the General Agents, who are requested from time to time to inform Commanding Officers whenever any Corps may fail in making such remittances.

19th. That no general Rule or Regulation of this Fund shall be altered, except recommended by the General Committee, and approved by a majority of the Subscribers.

20th. In taking the opinion of the Regiments and Staff Officers of His Majesty's Forces in India, a very general wish has been expressed that *all* Widows should have their passage to England, &c &c. defrayed. The Funds will not now admit of it but should the positive standing balance of the Fund ever amount to Forty thousand Rupees (40,000), the Committee will again put the question for the sense of the Subscribers with a provision that such charge should again cease on the balance falling to thirty thousand Rupees (30,000) and as in that event all married Officers will have a claim on the Fund their subscriptions should then be augmented. As an Officer ceases to be a Subscriber on leaving India, all claims on the Fund must in like manner cease from the same period, but an Officer going to sea for the benefit of his health, being entitled to his Company's allowances will be considered as a Subscriber during his absence.
